

# Wine Club Woody Nook

*We invite you to join the Woody Nook Wine Club and receive exclusive privileges:*

- Membership is free
- Four times in a 12 month period (the first week of December, March, June & September) members will receive a shipment of wine from Woody Nook to the value of \$80 (incl. freight) or less. No more than \$80 will be charged to your credit card each time.
- Obligation extends to a minimum of one shipment only. Membership can be cancelled with no penalties any time after the first shipment is received. 28 days notice is required.
- You will receive 10% discount from the date your membership application is received by the winery on all wine purchases, excluding special offers.
- You will receive 15% discount on case purchases, excluding special offers.
- You will receive notification of new releases and special offers before other customers.
- You will receive an anniversary gift selected from the wide range of wine-related items in our giftshop.

We hope the anticipation of each shipment's contents will be considered a fun part of belonging to our club. The selections will be ours, but, for example, you could expect to receive two bottles of red wine in one shipment; three bottles of white in the next; our three 'folkloric' series wines in another and so on. In all probability the Christmas time package will include a bottle of Nooky Delight. Our intention is for you to have the opportunity to enjoy most of our range over a twelve month period and then, knowing your favourites, be in a better position to take advantage of your membership discount benefits if you choose to make further purchases.
